1 Choose from these School-Approved Plans:

24-Hour Plan

The student is insured for full 24-hour a day protection, for school-time accidents, and at home or away—at play—at camp—on vacation—scouting—amateur sports—youth group activities—or just playing in the neighborhood. Coverage for interscholastic tackle football played in or with grades 9–12 must be purchased separately. The 24-Hour Plan is available for a full year (annual coverage) or Summer Only.

School-time Plan

The student is insured while attending school when school is in session; participating in or attending activities sponsored solely by the school and directly and continuously supervised by a school official or employee, including all sports except interscholastic tackle football played in or with grades 9–12 (unless you purchase football coverage) as well as travel by school-furnished transportation during the school term; traveling to or from the Insured's residence and the school for regular school sessions; and attending religious classes, including travel.

Football Coverage

Covers injuries caused by accidents occurring while participating in interscholastic tackle football played in or with grades 9–12, or while traveling as a team member in a school-provided vehicle to or from football games or practice, when such travel is sponsored by the school and supervised by school employees. Fall & Spring Football Coverage may only be purchased in combination with either the Annual 24-Hour or School-time Coverage. **Football Coverage may *not* be purchased by itself.**

Extended Dental Plan

Increases the Dental Treatment Benefit under the Plans to a maximum of \$1,000.00 per tooth for accidental injury to one or more sound, natural teeth. This extended coverage is effective 24 hours a day even when selected with School-time Coverage and ends on the opening day of school for the following Fall term. Premium for the Extended Dental Benefit is \$16.00 under all plans. Extended Dental Coverage may *not* be purchased by itself.

2 Additional facts about the Plans:

Effective and Expiration Dates: School-time or 24-Hour coverage goes into effect on the day following the envelope postmark date, but in no event prior to the opening day of school (or the first day of Summer break for Summer Only coverage). The expiration date of coverage under the **School-time Plan** is the close of the regular nine-month school term, except while the Insured is attending academic classroom sessions, exclusively sponsored and solely supervised by the school during the Summer. **24-Hour** coverage ends on the opening day of school for the following Fall term. **Football Coverage** starts the first day of regularly-scheduled school-sponsored practice, provided premium is paid prior to that date. Football Coverage expires August 1, 2021.
